Aloha, I am a resident of Wahiawa and, I teach in Kalihi. I am funding the rail development through my taxes and want to see my taxes support my community and not provide decadent livelihoods for developers. I support strengthening Bill 58 CD1 by requiring developers to make sure their developments meet the needs of local residents, and that housing developed is affordable to local residents. I think at least 30% of the developments should be affordable to meet the needs of the lowest income people as possible. Any affordable housing should be affordable for as long as possible. I do not want to see my students and their families priced out of Kalihi. I would like to see less people living on the streets. SUPPORT AND STRENGTHEN Bill 58 CD1.
